

# Logging Into NCEdCloud

Craven County Schools  
2020

In a web browser, type in the URL:  
**my.ncedcloud.org**

# Enter Student UID

Students should have an 8-10 digit number. This is also part of their email address:

8547452214@student.cravenk12.org

Click Go →

**NOTE: Schools will need to provide the UID and password and/or QR Code for the student.**

# Using QR Code

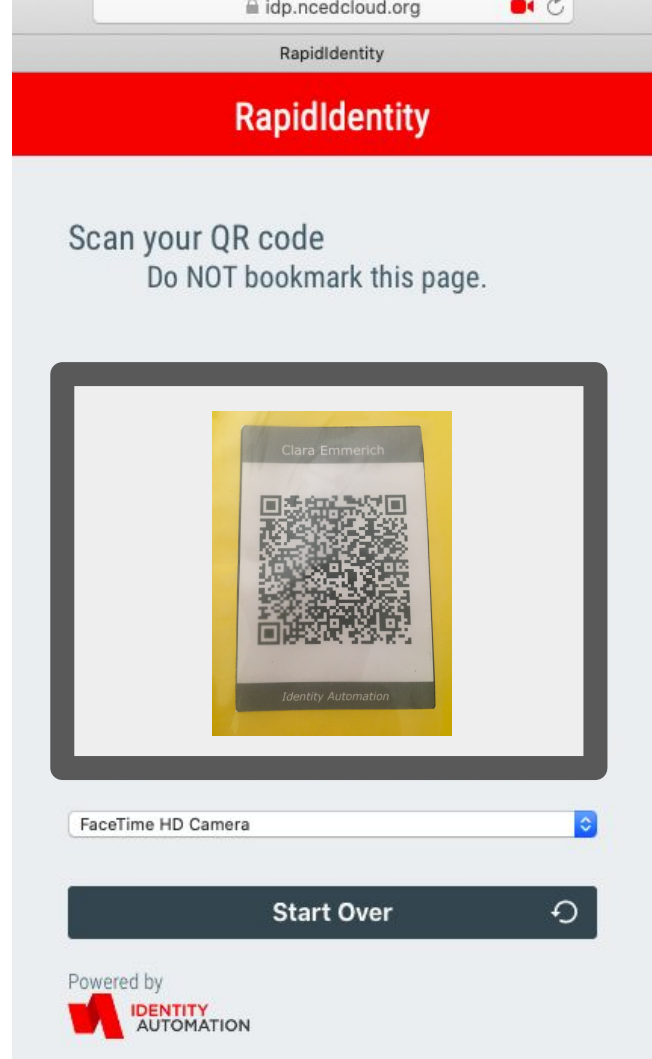

If the student as a QR Code from the teacher, that can log the student into NCEdCloud as well.

The screenshot shows the NCEdCloud IAM login interface. At the top, the URL is `idp.ncedcloud.org`. Below the browser address bar, the text "RapidIdentity" appears twice: once in a grey bar and once in a red bar. The main header features the "NCEdCloud IAM" logo. Underneath, the word "Login" is displayed, followed by the instruction "Do NOT bookmark this page." and a link for "[Need help?](#)". A dropdown menu is set to "NCEdCloud". Below that is a "Username" input field with a key icon. A dark grey "Go" button with a right-pointing chevron is positioned below the input field. A red button with white text "Scan Student QR Code" and a right-pointing chevron is highlighted with a yellow border. Below this button, the text "Don't have an account yet? Claim your account." is visible, with a "Scan Stu" label partially cut off. A dark grey "Claim My Account" button is located below the text. At the bottom left, it says "Powered by" above the "IDENTITY AUTOMATION" logo. At the bottom right, there is a STEM logo with the tagline "EXPLORE. EMPOWER. IGNITE."

# Scan QR Code

Use Student QR Code

The image shows a mobile application interface for 'RapidIdentity'. At the top, the browser address bar shows 'idp.ncedcloud.org'. Below that, a red header bar contains the text 'RapidIdentity'. The main content area has the text 'Scan your QR code' and 'Do NOT bookmark this page.' Below this is a large square frame containing a QR code. The QR code is on a white card with 'Clara Emmerich' at the top and 'Identity Automation' at the bottom. The card is set against a yellow background. Below the frame is a camera selection dropdown menu showing 'FaceTime HD Camera'. At the bottom of the interface is a dark blue button labeled 'Start Over' with a refresh icon. The footer contains the text 'Powered by' followed by the 'IDENTITY AUTOMATION' logo and the 'STEM' logo with the tagline 'EXPLORE. EMPOWER. IGNITE.'

# Applications

The image shows a web browser window displaying the RapidIdentity application dashboard. The browser's address bar shows the URL `my.ncedcloud.org`. The page header includes the RapidIdentity logo and a user login status: "Logged in as: 8547452214" with a "Logout" button.

The main content area features a sidebar on the left with navigation options: "Applications", "Profiles", "Files", and "Workflow". The "Applications" section is currently selected. The main dashboard displays a grid of application tiles, each with an icon and a label:

- Canvas - LEA 250
- Clever - LEA 250
- Google Mail - LE...
- IAM Information
- Istation
- PowerSchool St...
- Schoolnet - LEA ...
- Training

At the top of the application grid, there is a search bar labeled "Filter Results..." and a "Show All" button. On the right side of the grid, there are icons for help, refresh, and a notification bell showing 8 items. A vertical "Categories" sidebar is visible on the far right.

# Applications

**Canvas** is our Learning Management System for Craven County, grades 6-12.

**Clever** is a single-sign-on portal where other programs are accessed such as Open eBooks & Lexia.

**Google Mail** is Craven County's source for email. Many times you need to launch this application to ensure other programs work.

**PowerSchool** is where students can check grades, attendance, tardies, and schedules.

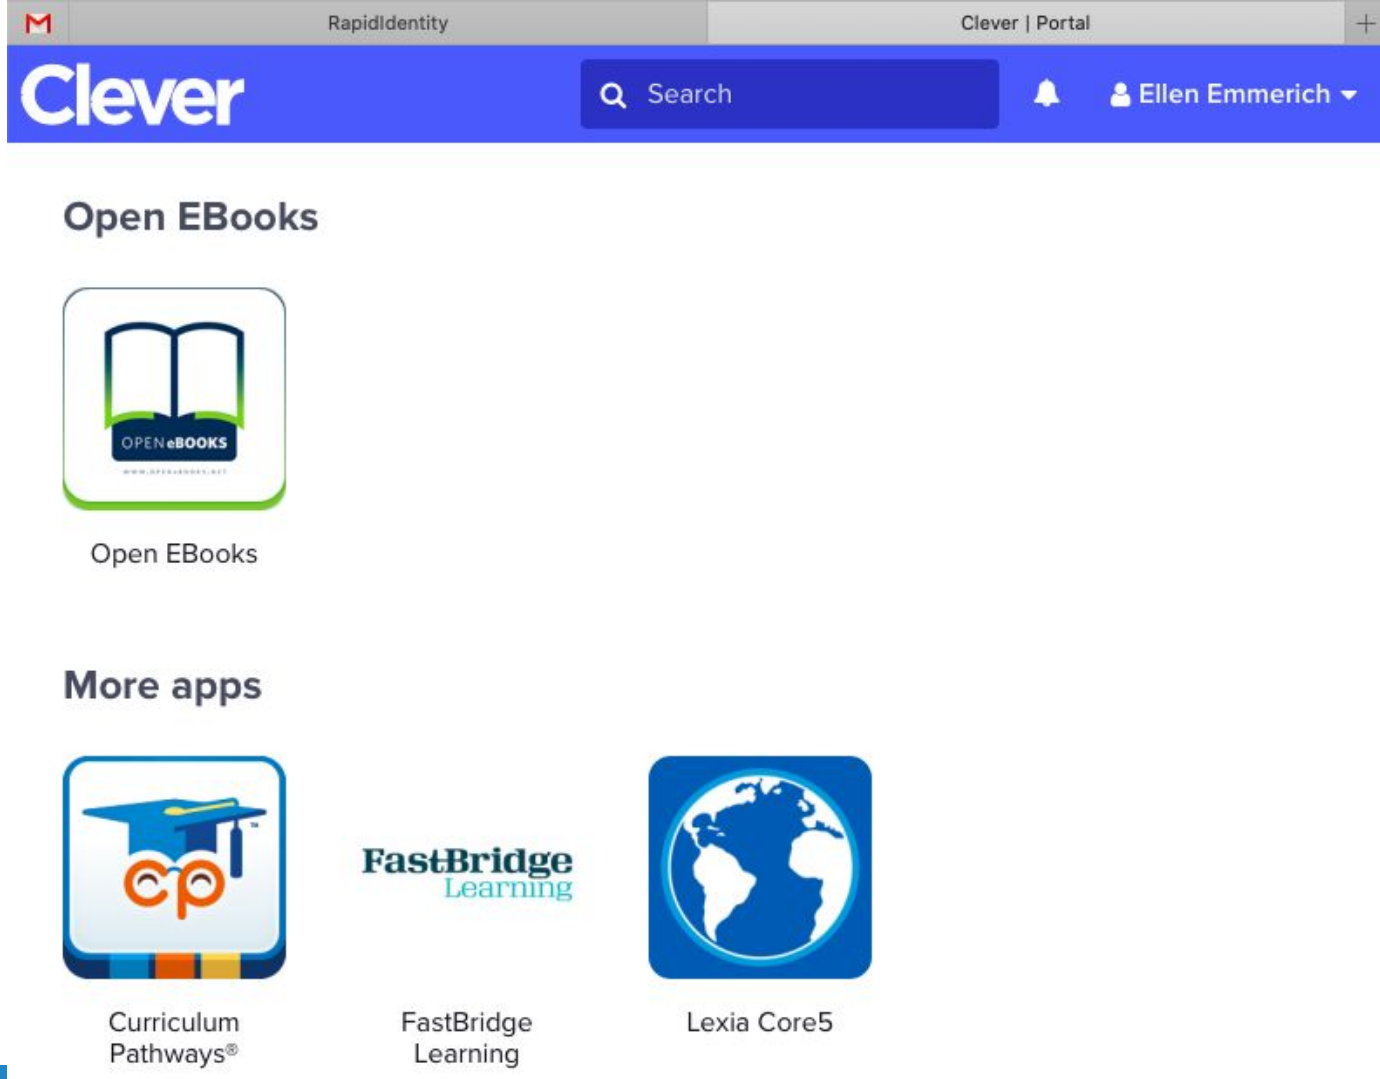

**Schoolnet** is Craven County's online platform for formative and summative assessments.

# Clever

Access Teacher pages, Open eBooks, and Lexia.

The screenshot shows the Clever portal interface. At the top, there is a navigation bar with the Clever logo on the left, a search bar in the center, and a user profile for Ellen Emmerich on the right. Below the navigation bar, the page is divided into sections. The first section is titled "Open eBooks" and features a large icon of an open book with the text "OPEN eBooks" and the URL "www.OPENeBOOKS.NET" below it. The second section is titled "More apps" and contains three app icons: Curriculum Pathways (a graduation cap with "cp" below it), FastBridge Learning (the text "FastBridge Learning" in blue and green), and Lexia Core5 (a blue globe icon).
