## Tucker Creek Middle School

### CravenLive Schedule

All Students will receive instruction in Math, ELA, Social Studies, Science, and one exploratory each day.

*In response to parent feedback from last year's virtual learning:*

- The first 30-45 minutes of class will be LIVE synchronous instruction. The remainder of the period the teacher is available for help and assistance but students may work independently.
- Breaks are scheduled throughout the day for students to move and actively take a moment away from instruction
- An afternoon check-in is available for students to ask last minute questions and Extra Help is available for students who need it
- Teachers will be available one evening a week from 5:00-7:00 for students and parents to receive support and ask questions.
