MEGHAN S. DOYLE, EdD, *Superintendent*

Dear Parent/Guardian,

This cover letter accompanies a form called a Title I School-Home Compact. The compact contains a section for the student, the parent, the teacher, and the principal to sign. This form is an affirmation that all four members of the student's educational team (the student, parent, teacher, and principal) need to work together to provide the most effective opportunities to help students who have qualified for the Title I program. This compact is required by the US Federal Government under the Elementary and Secondary Education Act (ESEA) as part of the Title I program. This compact outlines procedures that ensure both home and school are working together for the success of your student.

Title I is a federal program that provides financial assistance to local school districts and schools with high percentages of children from low-income families to help ensure that all children meet challenging, state academic standards. These funds are used in many ways to support your child's education, including teacher salaries and the purchase of classroom materials.

Your child's teacher has explained the roles of each member to your child. Please review your role and return the signed form. If you have questions, please contact your child's teacher. If you still have questions, please contact Jason Griffin, Director of Elementary Education and Federal Programs at 252-514-6374.

Thank you and we are looking forward to a terrific 2020-2021 school year!

Jason Griffin
Director of Elementary Education and Federal Programs
