Dear Grizzly Families,

Grover C. Fields Middle School is updating its cell phone policy. This change is to help students focus on instruction in our classrooms, and to decrease some of the incidents we are dealing with on our campus. We will share this information with students and our families and begin implementing the changes on March 18, 2019. Students are required to have all cell phones and personal electronic devices turned off (powered down) and out of sight from 7:45-3:30 daily. This includes earbuds/headphones.

GCF Cell Phone Policy

Consequences:

1 st Violation	Confiscated and returned to student at the	y
2 nd Violation	Confiscated and returned to parent only	
3 rd Violation	ISS 1 day, Confiscated and returned to parent only	
4 th Violation	ISS 3 days, Confiscated and returned to parent only

If a cell phone is confiscated and needs to be picked up by a parent, you may do so in the front office. Refusal to turn in a requested electronic device when asked by a school employee will result in out-of-school suspension (OSS).

Please help us remind students of this policy and encourage them to be responsible with the use of electronic devices.

We truly appreciate you partnering with us at GCF.
