PTA • FAQ

What is the PTA and what does it do?

The Parent Teacher Association (PTA) is the nation's largest child advocacy organization. It is a non-profit organization run entirely by volunteers. The AHB PTA provides many resources to benefit students, families & teachers.

If I join the PTA do I have to volunteer?

No. While we need volunteers to help with programs and we are so thankful for their time, we understand that not all families have this flexibility. Your membership dues help support the AHB PTA and give us all a stronger voice in supporting our children in a variety of ways.

I would like to volunteer! What do I do?

Please fill out the HUG (Help Us Grow!) volunteer form in this brochure. You must have completed the Craven County Schools background check in order to volunteer. If need to complete this, please go online to www.cravenk12.org and click on "Community", then click on "Volunteer Process".

I do not like fundraisers but I would like to support the PTA. What can I do?

You may make a tax-deductible contribution to the PTA anytime during the year. Since the PTA is a 501(c)3 organization you may also request a matching donation from your employer.
